# NEW PARCEL POST STATION

Government to Establish Terminals at the Burlington Depot.

Will Mean the Bringing of More Clerks to Omaha, as This Will Be Made Quite a Center for Mail Distribution.

Terminal raiway postoffices for the distribution of parcel post mails will be established in the Burlington depot, acto a statement given out by W. E. Pelt, acting superinthe Burlington Railway company.

Negotiations for space in the Union sepot have been pending for some time. Recently representatives of the various lines constituting the Union Depot company held a meeting in Omaha and named a price for the rental of space desired. Superintendent C. M. Reed, who is now in Washington, thought the price asked excessive and deconed to enter into a lease with the company.

When the Burlington company Wednes day sent word to Captain Felt, offering approximately 1,700 square feet of space in the Burlington depot at a much lowe figure than named by the Union Depoi company, a message was rushed to Superintendent Reed, who wired back to ose the deal, which was done.

No time will be lost in reconstructing the new terminal office, as it is important that the terminal be in full ewing, and the clerks who will be assigned to work will be in the barness before the holiday rush begins. This will mean also, that the Christmas packages will he dispatched out of Omaha several hours earlier than under present conditions. The opening of the terminal, however, be delayed until the Burlington can install the necessary letter cases, paper racks and other equipment, and it is elieved that this will require more than

Three transfer clerks are now employed at the Burlington station, and they will assigned to the new terminal, and authority is already at hand to employ six additional clerks, who will become residents of Omaha. The terminal will inaugurated with this force working in three shifts of eight hours each, and it is probable this force will be materially increased later.

Superintendent Reed, being impatient with the delay in concluding negotiations or space for the new terminal, believed that a little more mail could be handled at what is known as the "Blue Tag" terminal at Council Bluffs, and two weeks and issued orders for all parcel post chages for the states of Nebraska and ng, passing through the Chicago be given to the Council Juffe terminal. The boys over there remided and took care of the mail, and arother order gave them the parcel post from St. Louis. Consequently, 150 sacks he to be concentrated on this terminal

As soon as the Omaha terminal is astablished the Nebraska mail will be

from all points north, east and south. DEAL IS CLOSED FOR THE SPACE have not been made and the Omnha ter refund will be the first in operation

### Woman Asks Refund of Large Amount of Money She Paid Out

Alleging that she has paid \$19,420 to patent to manufacture medicine, for the tendent of the fourteenth division of the purchase of land and the construction of sallway mail service. Aproximately 1.700 a plant at Aberdeen, S. D., which never square feet of space has been leased by materialized, Mary F. Gruber has brought suit in district court to recover the

She alloges that she paid Brown \$5,000 July 20, 1912, and other amounts varying from \$420 to \$5,000 at later dates and did not learn until last January that all was not well with her business enterprise. She alleges that in October, 1912, Brown bought Omaha property and she asks the court to allow her to take this to repay her.

#### INSPECT LOCAL SYSTEM OF WEIGHTS AND MEASURES

State Pure Food Commissioner Harmon and two deputies, F. W. Schaup and G. A. Grit, are inspecting the local official system of weights and measures as maintained by John Grant Pegg, city sealer of weights and measures. Pegg conducted the officials through all the market places yesterday and assisted with the in-
